

LOUNGE ROUNDTABLE SCHEDULE

DATE	TIME	ROUNDTABLE TITLE	ROUNDTABLE HOST
TUESDAY			
Tuesday 5/25	12:30pm - 1:00pm	Mitochondria Core Facilities at UCLA	Orian Shirihai, Metabolism Theme Chair, UCLA
Tuesday 5/25	1:00pm - 1:30pm	Novel Targets and Compounds That Modify Cell Metabolism in Cancer, Cardiovascular & Metabolic Diseases.	Orian Shirihai, Metabolism Theme Chair, UCLA
Tuesday 5/25	1:00pm- 2:00pm	Proteomics Core	James Wohlschlegel. Professor of Biological Chemistry, UCLA
Tuesday 5/25	1:30pm - 2:00pm	Metabolism Startup Companies from UCLA: Respirometry, Mitophagy, COVID	Orian Shirihai, Metabolism Theme Chair, UCLA
Tuesday 5/25	3:00pm - 4:30pm	Corporate Strategy	Wilson Sonsini
Tuesday 5/25	3:00pm- 4:00pm	UCLA and Caltech Professor Spotlights Roundtable	Charan Arora, Chief Intellectual Property Officer, UCLA TDG and David Halstead, Partner, Chair, Intellectual Property Department, Foley Hoag
Tuesday 5/25	3:00pm- 4:00pm	The City of Hope Professor Spotlights Roundtable	Steve Rosen, Chief Scientific Officer, City of Hope
Tuesday 5/25	4:00pm- 5:00pm	University of California Drug Discovery Consortium: Linking UC with Industry	Jordan Kovacev, Director of Philanthropy and Business Development, The University of California Drug Discovery Consortium
WEDNESDAY			
Wednesday 5/26	11:30am - 12:30pm	Immune Assessment Core: A Cutting-Edge Resource for Comprehensive Immunological Testing and Assay Development	Monica Cappelletti, Director of the Immune Assessment Core

Wednesday 5/26	1:00pm - 2:00pm	Advances in genomic technologies for undiagnosed diseases within the California Center for Rare Diseases	Stan Nelson, Professor and Vice Chair of Human Genetics, Professor of Pediatrics, UCLA
Wednesday 5/26	1:30 pm- 2:15pm	UCLA Metabolomics Center – mass spectrometry-based metabolism projects	Tom Graeber, Professor of Molecular and Medical Pharmacology, UCLA and Moderators: Johanna Scott & Amelia Palermo
Wednesday 5/26	2:15pm - 3:00pm	Targeting cancer vulnerabilities to complement effective targeted therapies, e.g. ferroptosis, extrachromosomal DNA	Presenter: Tom Graeber, Professor of Molecular and Medical Pharmacology, UCLA and Moderators: Kim Paraiso
Wednesday 5/26	2:00pm - 3:00pm	Learn More about UCLA David Geffen School of Medicine	Kelsey Martin, Dean DGSOM and Professor of Biological Chemistry and Psychiatry and Assoc. Vice Chancellor Amir Naiberg UCLA TDG
Wednesday 5/26	3:00pm - 4:00pm	UCLA and Cedars Professor Spotlights Roundtable	Charan Arora, Chief Intellectual Property Officer, UCLA TDG and Tariq Arif, Business Development Officer, UCLA TDG
Wednesday 5/26	3:00pm - 4:30pm	Life Science Patent Strategy	Wilson Sonsini
Wednesday 5/26	2:00pm - 3:00pm	UCLA Lipidomics Roundtable Meeting	Kevin Williams, Scientific Director, UCLA Lipidomics Lab and Steve Bensinger, Professor of Microbiology, Immunology and Molecular Genetics and Pharmacology, UCLA
THURSDAY			
Thursday 5/27	11:30am - 12:30pm	Cardiovascular Research Theme	Arjun Deb, Professor of Medicine and Molecular, Cellular and Developmental Biology, UCLA

Thursday 5/27	2:00pm - 3:00pm	The UCLA Institute for Precision Health: Innovating in Genomic Medicine and Big Data	Distinguished Professor of Human Genetics Dan Geschwind, Neurology and Psychiatry, Senior Associate Dean and Associate Vice Chancellor of Precision Health and Clara Lajonchere, Deputy Director, UCLA Institute for Precision Health
Thursday 5/27	3:00pm - 4:30pm	Patent Licensing	Wilson Sonsini
Thursday 5/27	3:00pm - 4:00pm	The City of Hope Professor Spotlights Roundtable	Dr. Harlan Levine, President, Strategy and Business Ventures, City of Hope
Thursday 5/27	3:00pm - 4:00pm	USC Professor Spotlights Roundtable	USC Hosting
Thursday 5/27	4:00pm - 5:30pm	"University of California Drug Discovery Consortium: Linking UC with Industry"	Jordan Kovacev, Director of Philanthropy and Business Development, The University of California Drug Discovery Consortium
